All reports are available as an electronic package, and anyone interested in seeing them were asked to give Stephen their email so they could be sent them.

Finance Reports are also attached and Joycelyn said she was happy to answer any questions there may be. There weren't any. Those who had already received the reports prior to the meeting gave a show of hands to accept them.

There have been some really good achievements over the last 2 years, including good badge work and children attending camps, many for their first time away.

Stephen thanked all the leaders and youth members for all they do, Further details of what has happened since the last AGM are in Stephens Report(part of the attached booklet)

All Current Trustees are to stay in post.

Stephen then handed the meeting over to Oliver Scott who has agreed to be Chair of the Trustees for 12 months. He said he is excited to bring his 10years of Scouting experience

to the group and looks forwards to supporting the Leaders and Group as he helps them to be compliant with Scouts rules

The group needs to remain active in order to assist the local community

Peter Thorp (CLV) for Northumberland Scouts said what a great pleasure it was to visit such an active group, and gave thanks to all the fantastic leaders. He talked of the new and exciting activities to come next year, as well as the new camp site at Nunnykirk that Scouting has taken on
